

# PUBLIC OPEN HOUSE

**Barrett Lakes Boulevard &  
Big Shanty Road Corridor Studies**

**Tuesday, May 21, 2019**

**5:00 PM – 7:00 PM**

*Children's Healthcare of Atlanta at Town Center  
Outpatient Care Center*

*Community Room*

*605 Big Shanty Road NW, Kennesaw*

In the Fall of 2018, the CID engaged in studies to incorporate a “Complete Streets” approach into the design of these important corridors to improve accessibility, safety, and connectivity to the surrounding area for all users. Please join us to learn about study findings and view a final list, map, and illustrations of recommended improvement projects. This will be the **FINAL OPPORTUNITY** to provide feedback on these studies!

Questions? Please contact Alisha Smith, Town Center CID Director of Projects and Planning, at 678.350.5061 ext. 2 or [alisha@towncentercid.com](mailto:alisha@towncentercid.com).
