

Founders Park

Project Overview

Founders Park pays tribute to the founding members of the Alliance and their vision for quality of life and green space in the Town Center area. Founders Park is the first linear park in the Town Center area. Located at the corner of Roberts Boulevard and Vaughn Road just north of Barrett Parkway, this linear park adds a shade structure, additional bikes for the Town Center bikeshare program, seating, landscaping and more along the Noonday Creek Trail.

In 2015, the Alliance was created by the Town Center CID as a way to shape the future of Town Center by supporting and funding beautification, greenspace and other quality of life initiatives. Justly named, Founders Park pays tribute to the founding members of the Alliance and their vision for quality of life and green space in the Town Center area. On Tuesday, May 28, 2019, the members of the Town Center CID Board of Directors, the Alliance Board of Trustees and Advisory Board members met to lay the plaque commemorating those visionary members.
